

Lansdowne Neighbors & Friends:

This is an invitation / reminder that the next Lansdowne wine tasting event will begin at **7 pm on Saturday, March 20th at the Clubhouse**. The theme is **Spring wines**. I welcome any of your favorite wine suggestions and will try to work them in to this and/or future tastings.

We will continue to include "**Lansdowne Neighbors & Friends**" whereby each Lansdowne neighbor is encouraged to invite guests. The cost for this special event is **\$45 per couple** (\$22.50 per participant) which is used to pay for the wine. We ask you to bring an **appetizer / dessert** of your choice to share with the group. This is a very relaxing and enjoyable adult evening where we can all get to know each other better and continues to be a very popular event. Please work this into your calendar, line-up the sitters and plan on attending this activity - you will not regret it!

Please **let me know if you are coming, how many in your party** (email preferred) and **drop off your check** (payable to me please) no later than **10 pm Wednesday, March 17th**.

The subsequent tastings will be the 3<sup>rd</sup> Saturday every other month (May 15, July 17, Sept 18, Nov 20). Please mark your calendars. We may need to change from these dates if certain conflicts arise. If so, I will do my best to communicate well in advance. Please watch the **new Lansdowne web site**, message board and newsletter.

Please remember to purchase your wine / spirits from **Cool Springs Wine & Spirits** (as well as visiting **Woody's Smoke Shop** next door and **Criallo's Restaurant** in the rear of the building). As in the past, you will receive a 15% discount on 12 bottles or more of the tasting wines (mix & match) and a 10% discount on purchases of less than a case of the tasting wines if purchased within 7 days of the tasting.

I look forward to seeing all of you there. Please contact me if you have any questions or suggestions.

Best Regards,

Bruce
